

National Apprenticeship Awards 2020 – Regional Apprentice, Rising Star and Apprenticeship Champion of the Year Finalists

Now in their 17th year, the National Apprenticeship Awards showcase the diverse and growing range of sectors engaged with apprenticeships. The awards celebrate employers who fire up their business with apprenticeships, outstanding apprentices who blaze their own trail, and individuals who champion apprenticeships with passion.

The awards were open to apprentices, individuals who promote apprenticeships and employers of all sizes from all sectors, with entrants asked to demonstrate the impact apprenticeships has made to individual's lives and their workplaces.

Those shortlisted are apprenticeship exemplars, highlighting best practice across recruitment excellence, high quality training practices, diversity and career progression.

We are recognising apprentices for their exceptional contribution to their workplace and have announced regional finalists in the following apprentice categories:

- The AstraZeneca Award for Intermediate Apprentice of the Year
- The BT Award for Advanced Apprentice of the Year
- The Royal Navy Award for Higher or Degree Apprentice of the Year
- The Lloyds Banking Group Award for the Rising Star: awarded to apprentices who have made impressive progress in their career to date and who show the potential, through their apprenticeship, to make it to the very top of their chosen profession

Finalists in the Royal Air Force Award for Apprenticeship Champion of the Year, recognising individuals who go 'above and beyond' to champion apprenticeships, have also been announced today.
